# ICONS

HOWE

# WE BELIEVE IN THE SENSE OF MOVEMENT AT HOWE; THE IDEA THAT WHAT WE DO IS NOT ONLY MOVING THE LEVELS OF CRAFTSMANSHIP OR THE CONFINEMENTS WITHIN DESIGN BUT ALSO THE PEOPLE WHO USE IT EVERY DAY.

→ MOVING DESIGN SINCE 1928

Chez HOWE, nous croyons au « Moving Design » : un mouvement qui déplace les frontières de l'artisanat et repousse les limites du design, mais aussi un mouvement qui touche les gens au quotidien.

Wir bei HOWE glauben an die Kraft der Bewegung, die Idee, dass unsere Möbel nicht nur die handwerklichen beflügeln oder die Grenzen des Designs versetzen, sondern auch die Menschen bewegen, die sie jeden Tag nutzen.

THE 40/4 CHAIR BY DAVID ROWLAND IS RECOGNIZED AS THE FIRST STACKING CHAIR IN THE WORLD. THE NAME OF THE CHAIR IS AN EXPRESSION FOR THIS: 40 CHAIRS CAN BE STACKED WITHIN A HEIGHT OF 4 FEET.

La chaise 40/4 de David Rowland est reconnue comme la première chaise empilable au monde. Le nom de la chaise en est une expression : 40 chaises peuvent être empilées sur une hauteur de 4 pieds.

Der 40/4 Stuhl von David Rowland gilt als der erste Stapelstuhl der Welt. Der Name des Stuhls ist Ausdruck dafür: 40 Stühle lassen sich innerhalb einer Höhe von 4 Fuß stapeln.
